

Application No.: 10/688,943Docket No.: 300200223-2 US (1509-414)**REMARKS**

The allowance of claims 1-7, 14-20 and 27-29 is noted.

Claims 8 and 12 have been combined as amended claim 8 and claims 21 and 25 have been combined as amended claim 21. Claims 12 and 25 are cancelled. The remaining claims depend on amended claims 8 and 21.

The previous rejection of claims 12 and 25 is traversed. The previous Office Action grouped claims 8 and 12 together and inferred the rejection of claim 25 was on the same basis as the rejection of claim 12. however, there is no discussion of any of the limitations of claim 12 in the previous Office Action. In particular, the previous Office Action fails to mention: (1) using a document per claim 8 to generate a further submission interface that is sent to the client of claim 8; (2) transforming further client selection from the further submission interface using rules that generate the further submission interface; and (3) or incorporating the transformed further client selection data in the document. Consequently, the Office Action does not attempt to establish a prima facie case of obviousness with regard to former claim 12, now amended claim 8. Accordingly, amended claims 8 and 21 are deemed to be allowable.

In view of the foregoing amendments and remarks, allowance is in order.
